- Stay on Hwy 1, turn right on Mission Street.
- Take Mission Street to Bay Avenue.
- Turn right on Bay Avenue and follow it up to High Street.
- Turn left on High Street (becomes Empire Grade) and follow it to the West Entrance (Heller Drive).
- Follow Heller Drive to the Core West parking structure.
- Turn right into the parking structure, drive up to the 3rd floor and look for parking attendants.
- **Tell parking attendants you are there for the ACCESS lab tour and they will give you a free parking permit.**

When you walk out of the parking structure, you'll see an orange and tan building – the Physical Sciences Building (PSB). Walk past PSB along McLaughlin; the next building is Biomedical Research. Turn right as soon as you get past PSB; the entrance into the Biomed building is on your left, facing PSB. Go up the stairs to the second floor and turn left – room 200 is right there.
